ABOUT THE FOUNDERS

PAVEL STRANDH

Pavel was raised in Sweden, the birth country of Floorball, and has been playing since he was seven years old.

When he was on exchange in Singapore he was amazed by how big the sport had become in a small country across the globe. Now, he wants to do the same in Dubai.

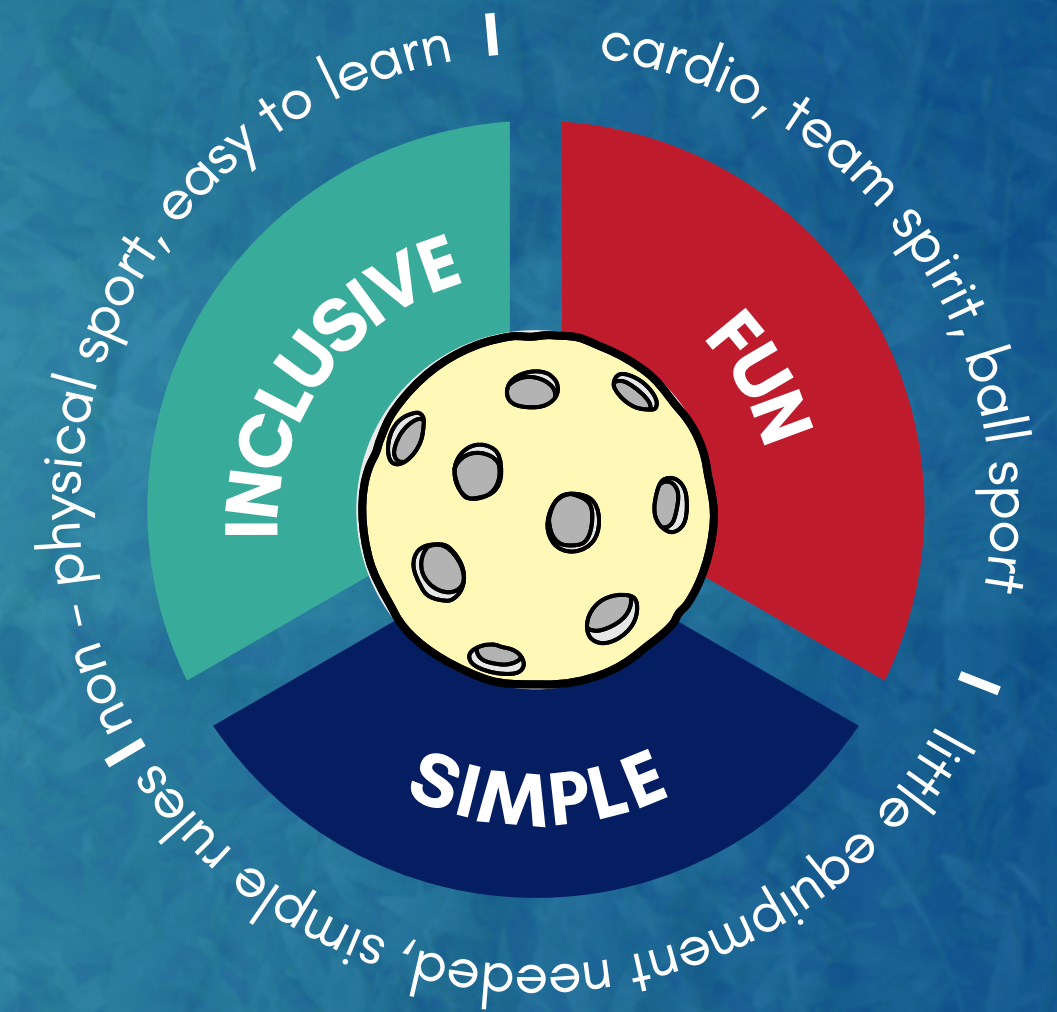

STEFANIE ALECRIM

Meet Stefanie, our coach. She is from Brazil and recently moved to Dubai to work. Two years ago, she was in Stockholm for her studies and started playing and coaching floorball at Stockholm University.
